**DO PRISON VISITORS'  
CENTRES AND  
SUPPORT SERVICES  
MAKE A DIFFERENCE  
TO FAMILIES  
WITH A LOVED ONE IN  
PRISON?**

The Scottish Government has asked for Prison Visitors' Centres and support services to be reviewed to find out how these services are currently working and how they could be improved in the future.

Figure 8 Consultancy, Edinburgh Napier University, and the University of Strathclyde are working together to find the answers to these questions.

We are looking for families who use one or more of the Prison Visitors' Centres or support services to share their experiences by completing a questionnaire. This should only take 10-15 minutes.

Any responses to questionnaire will be confidential and anonymous.

information and to  
access the questionnaire  
itself.**

**Do you have any questions?**

If you have any questions about the project, or have any concerns, please don't hesitate to get in touch:
